

You Should Be Proud Of Being In A Military Family

Everyone is proud of the men and women in the armed services. They make many sacrifices because they understand how important it is to have a strong military to protect the United States. And everyone is also proud of all the military children who make sacrifices too. It is one of the hardest things in the world for a child to be away from a parent. In other words, military kids are heroes too!

You probably have lots of things that make you and your family special. Thinking about these things can help you cope with your parent's deployment. Fill in the sentences below to help you think about all of the things that make you and your family special.
